Special One Off Awards

BPW NZ GOLDEN JUBILEE AWARD

To mark 50 years of BPW NZ the Federation Golden Jubilee Award of \$1000 was awarded to a Female Apprentice. There were 56 applications received. The award was presented by BPW NZ President Audrey Harris to Angela Haskew a sheet fed printer (Matamata)

BUSINESSWOMAN OF THE YEAR AWARD - 1992

1992 \$2000 was awarded to Kirsten Langridge of Kirsten's Fantham Greenery of Hawera

WOMAN IN BUSINESS AWARD - 1996

1996 \$2000.00 was awarded to Virginia Warren
Virginia used this to design and have built a conveyor table for sorting macadamias nuts, greatly speeding up the processing time. As a result of the publicity Virginia received with the award (TV One news and NZ Herald coverage the next day) she got an enormous amount of further coverage and was in Maggie Barry's TV show "The Good Life" and almost every month for the next two years was in some publication or another. What a great boon to any business - massive advertising at no cost! Virginia says thank you BPW NZ.
