

Women Getting on to Boards Survey August 2009

Summary of Results 25.11.09

The questionnaire was emailed to all clubs in August and was voluntary.

8 returns were received, 1 was anonymous.

4 respondents were already on a Board or had been on a Board. All were elected.

3 wanted to be on a Board, 1 was not available.

4 had registered on a Board members source list of some source without success. No one had found that to be of any use. One had been short listed 3 times but not successful.

6 were interested in forming a network.

Qualifications – All had tertiary education – for example, B.Ed, NZRN, BA, PhD, Advanced, Ambulance Officer training.

All had senior management and leadership experience

One had done director training.

Assistance needed – Contacts, mentoring, networking, training, nomination.
