

To the House of Representatives:

We ask that the House of Representatives take action against imposing certain reforms in the New Zealand Family Court.
We ask Parliament to:

- 1) Not implement changes to the Family Court system that will place restrictions on the right for people to have a Lawyer represent them in proceedings involving the care of children or any proceedings in the Family Court;
- 2) Not implement changes to the Family Court system that will restrict the ability of a Judge to appoint Lawyer for Child in proceedings, even proceedings that are not regarded as serious cases;
- 3) Not reduce the availability of Legal Aid in proceedings in the Family Court including those cases involving the care of children; and
- 4) Not to impose a fee for parties to enter the Family Dispute Resolution process to ensure that the process is not inaccessible and will not prevent matters resolving in a timely and child focused way.
